How your life is going to be under the New World Order of Billy <3 and Jews if they aren't defeated?

(About the sources: Only indicative. Sources have to be understood in conjunction)

**"1. You will never eat meat again. Only synthetic meat [if deemed worthy] and bugs with grass.**

**2. You will never own anything again. You'll rent things and not work anymore to have the right of any ownership.**

**3. Since you'll not work anymore, you'll only be thrown a few coins from "The Overlords", as a form of mercy for your sorry ass. Call it UBI\*.**

**\*Conditions apply. You will have to be a perfect slave for it, otherwise, nothing for you. Where and how it's spent will be under full control and surveillance. You'll only buy bugs and grass to eat with it.**

**4. How many children you will have will be prohibited. Any children against the "Racial Unified Prototype" I.e., non UniRace or what race is decided by Jews, are to be exterminated. Probably we are going for the "Goyim UniRace", which where all people will be the same. There will be only "One Humanity".**

5. You'll be forced to copulate with any race those in power want, until a singular race is created. Castration may also happen at birth, because you may copulate by accident, and further problems like Global Warming if you do that (related to the above), by creating one more idle eater.

----

But at least we defeated the Evil Hitler who wanted to take over the earth and liberate us from this. He did also another very evil thing, he was a "man". At least we have no men anymore! Everyone is a great now! The world is so safe. Muslims and such are going to be forcibly sissified to follow with our paradigm. If in the process they kill half of Europe, it's ok.

It was our duty to make them into sissies like the NWO and Billy <3 said. Welcome them all in. If they rape, kill, or loot anyone, this is only a transient stage into world love <3. They'll be sterilized also with a lot of love in the end.

Rainbow airplanes will fly above us, spraying us with happy drugs, sissifying hormones, and writing in big letters in a banner "You love Billy <3".

This is the way to freedom. We will not have any wars or any disputes like before! We peacefully are going to the slaughter, sorry, I meant New World, without any protesting. We'll finally have attained peace. Billy's Plan <3.

Billy <3, your new sissified reptilian grey hybrid Akhenaten will be your one God and King. This planet will be his little Aquarium, and everyone beneath him will be a goldfish without consciousness at all. You'll all be the same goldfish also, so that you don't feel inferior feelings from strong or powerful people. Your new leaders will be very very kind to you. Not the evil shouters and men who told you to wake up.

Definitely not Hitler or anything threatening! They will be Mr. Friendly Sweater Billy <3, and all he does, will be to do the Good thing. He'll never harm your feelings, except violate all your existence and make you cattle while killing a few hundreds of millions. But he'll do it INDIRECTLY.

For example, he'll be a proponent to the Great Reset, but NOT kill you of course with a war or an invasion like Evil Hitler did. But he'll do it in all in a friendly manner. If you disobey, he'll throw CoVid 2023, and kill a few hundred million, but by accident. A perfect dream, materialized.

Now, any final reactions you have to this, remember, do not think negative of Billy <3. Billy <3 is our friend. He's so kind just look at him in the camera, with his little smile and how weak he appears to be. He just happens to control the whole planet almost but it's ok, he's our Billy <3. He's our little cuddly bear and nothing harmful. No matter what he does he's always the cutest <3. He's not evil and dominant like Hitler </3.

We're finally entering ultracuckland and everyone should be really happy! I'm off to take all my drugs and watch my Netflix on how thankful we should be that people like Billy are going to destroy everything that humanity is, like a good boy.

Plz don't hate on this post because my feelings are going to be rly rly sad ok? Or like a GOOD BOY I'll tell Billy <3 that you don't agree with his New World, and he'll make sure you don't get CoVid by locking you in an isolation place. I'll go full ultracuck SJW on you. Dream come true!! The weak will now rule over you, strong people with a brain who think of the above things. It's time for the ultracuck to dominate and kill you all. Hihihhi."

**OR WE CAN DO OUR RTR'S AND WE NEVER HAVE TO EXPERIENCE ANY OF THESE PROCLAMATIONS OF THE ENEMY.**

-In love, Billy's biggest fan <3,
