"The Jewish people taken collectively will be its own Messiah. His reign over the Universe will be obtained by the unification of the human races and through the elimination of frontiers.

A Universal Republic will come into being in which the Sons of Israel will become the directing element. We know how to dominate the Masses. The governments of all nations will gradually fall, through victory of the proletariat, into the hands of Judah.

All private property will become the possession of the princes of Israel-they will own the wealth of all lands. Thus, will be realized the promise of the Talmud that when the time of the Messiah comes the jews will hold under their keys the property of all the peoples of the world."

- Letter from Baruch Levy to Karl Marx quoted in "Review de Paris," June 1, 1928.

Only, the above is just 88 years ago. However, the same issue has been going on until thousands of years. This is considerably early compared to their history of opposition and enslavement of Gentiles, which as they say, starts with "Abraham" himself. Some place this to be at least 2000 years ago. Still, the same remorseless hatred and the same methods.

Their enemy since, has been one that is named "Satan". Which as they put as the leader of anything that opposes the jews. "Satan" is the head of the spiritual resistance and against the jewish plans. Satanism is the practice thereof, of whatever is spiritual, Gentile and anti-jewish.

Then it's the Satanists trying to put an end to this...
