

Satanic Future Law: Anti-Gentile-ism

December 4, 2017

Obviously, this is part lolz and nothing else...

There will be a legal penalty that is severe in Satan's world.

It will be called the global act of "Anti-Gentileism". Humanoid looking aliens who do this will be persecuted, censored, and will be put in detention and everything else depending on the severity of offence.

The historical background of where this law will be based, will be on the negative conditions of jewish tyranny and billions of dead people of the past, by the hands of those who didn't practice Gentileism and were Anti-Gentiles.

Manuscripts that teach abrahamic genocidal teachings will be banned from schools, public studying, or private ownership, and actions that destroy all that nature is creating will be crimes under anti-gentileism, simply because it reduces Gentile living space. Toilets however will have them in the form of a roll so that those very special souls interested can actually study them in their magnificence. Antigentileism could end anyone from prison, to being a renegade no-lifer, to in extreme cases, retaliation.

All demands against Gentilism will be mercilessly crushed, and of course, everyone will, in lesser or bigger degree, looking out for Gentileism. Anti-Gentileism will be hunted down in a similar way like Radical Islamic terrorism is today. And any practices relating to AntiGentileism will be banned as international threats to the living conditions of Gentiles.

Anti Gentileism must be recognized as a crime based on, but not limited to: Chinese Communist Genocide, Victims of WW2 instigated by Anti-Gentile-ist Terrorists, USSR victims imposed by Anti-Gentile-ist political gangsters and so forth.

"I think there is a resurgence of anti-Gentile-ism because at this point in time Israel has not yet learned how to be multicultural. And I think we Satanists are going to be part of the throes of that transformation, which MUST take place. Israel and Judea are not going to be the monolithic society they were in the last 20 plus centuries. Spiritual Satanists are going to be at the center of that. It's a

huge transformation for Israel to make. They are now going into a multicultural mode in Madagascar and Spiritual Satanists will be resented because of our leading role. But without that leading role and without that transformation, Israel and Judea will not survive."
