

Trump: Jewish Genocide of ALL Goyim is Permissible?

It's interesting how Trump in his speech was talking on all these pipe-things **about combating extremism**, how people should live in peace (which implies killing off Iran from the map, for the peace of the jews) and on the audience, front row, sits the chief, and one of the most "Racist" **Rabbis of Israel, Chief Sephardi Rabbi, Yitzhak Yosef.**

This Rabbi admits that all their 'tolerance' for anyone else in the world is basically because... They do not have a Messiah yet, who will exterminate all the "Goyim" and drive them out of the land of Israel.

“According to Jewish law, gentiles should not live in the Land of Israel,” Yosef said Saturday in a sermon. “If a gentile does not agree to take on the seven Noahide Laws, we should send him to Saudi Arabia. When the true and complete redemption arrives, that is what we will do.”

The only reason non-Jews were still allowed to live in the Jewish state was the fact that the Messiah had yet to arrive, he said. “If our hand were firm, if we had the power to rule, that’s what we should do. But the thing is, our hand is not firm, and we are waiting for the Messiah,” he added.

Two weeks ago he said Israelis should kill life-threatening knife-wielding terrorists without fear of the law.

“If a terrorist shows up with a knife, it is commanded [by Jewish law] to kill him,” Yosef said at the Yazadim Synagogue in Jerusalem. [...]

*He went on to warn against killing a terrorist who no longer posed a threat, however, **saying the not-yet-arrived Messiah was the only arbiter who could sentence a non-threatening enemy to death.***

Just so you know he is the next up from this other guy, Rabbi Ovadia Yosef, and is in his position now, after his death.

Non-Jews exist to serve Jews

Israeli Sephardic leader Rabbi Ovadia Yosef in his weekly Saturday night sermon said that non-Jews exist to serve Jews.

"Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel," . . .

Trump openly threatened Iran in his speeches. Basically, this is why they armed the Jewish ISIS through Saudi Arabia, which is the known backer of this. For full scale war basically, towards Iran and Syria. There is no Trump policy, only Rabbinical Policy.

Trump is a tool and does what he's told, or otherwise, flying will come the Curse from the Rabbis, and off Trump will go with a heart attack by their Kabbalistic Magick. Trump is their willing, Jewish Blooded, servant and slave. He has accepted in a loving way his position.

"When we ask God to 'bring an end to our enemies', we should be thinking about Iran, those evil ones who threaten Israel."

What Trump does admit by kissing ass to the jews? That he is working on their behalf. He will do as he's told, same as all other USA presidents.
