Greetings to all of our Satanic Family and Warriors.

Below is the RTR Schedule for the dates of 5th of May to 20th of May. It's kept short for ease of translation.

Some tips to do the RTR's. Imagination is important, same as feeling.

When you do the RTR's, you can imagine strongly an image that is related to this RTR. For example, with the 72 name of (((("God")))) you can imagine it as hebrew letters cracking, the 42 you can imagine a jewish aura dissolving around jews, the Shema you can imagine as them being fully without any protection, Demonic Authority+ Right to Rule Nations as Nations publicly denouncing and/or attacking the enemy, with Gentile leaders in the top etc. Let your mind be creative. This can help the RTR's by fuelling them more. Even simply doing the RTR's is enough, but you can add some things like above to add some further attention to them.

Below the list of the RTR's:

6. Shema RTR-> 72, 42, Communications, Serpent is Free RTR
