Message from High Priestess Maxine Dietrich:

It is a sad fact that some idiots have nothing better to do with their time and have no real 'life' of their own, that they have to put energy, time and effort into impersonating me online.

- I do not have a "Facebook" page or account, nor do I ever intend to.
- I do not have a personal 'Twitter' or anything else related.
- I do not SEND anyone personal e-mails, I only REPLY to very few who e-mail me as I simply am too busy and do not have the time.
- I do not visit or make any posts or replies in any groups or forums outside of the Joy of Satan.
- There are NOT any photos of me online. Any pictures that claim to be me are fakes!
- Anyone who claims to be a child of mine or a relative of mine online is a liar.

The former Joy of Satan Yahoo Groups are no longer functional. We can no longer moderate them, Yahoo has ruined all of these groups.

Joy of Satan Ancient Forums: <https://www.Ancient-Forums.com> is open to everyone. You don't have to sign up as these are open to the public.
