Greetings to all our People and Zevic Comrades!

Before anything, just know that after this schedule we are going to attack the enemy severely. We have to foil them on these days however as Rabbi Jewsus and the alien company are more than likely attempting yearly siphoning of energies from the 'goyim' (Gentile) slaves they have. The kike on a stick just does not want to allow its 'sheeple' and its parasitism blood source, let go. Its 'merry xmas' is everywhere, forcibly, and by coercion. They are celebrating a dead thoughtform created by some psychotic rabbis just a few hundreds of years ago. The enemy really needs their 'medicine' from that in order to pick up from where they are now.

As for late, Israel has been having serious issues. The Champion of Judah (but plan B of the jews), Trump, wants to bail them out and basically give them more space of abuse settlers and the Palestinians. This is by promoting 'negotiations' that Israel didn't want to make since 1967, anyway. The Jewnited Nations acted for once like United Nations and does want to further the negotiations between the two because it just gets nowhere as it is now. And recognized the war crimes of Israel. How are they going to exactly do this right now, is Trumps offer for "two part negotiations" which is a tried and false one. And destroyed the ME and flooded the west with "Immigrants"... Which just means in the end 'leave Israel unimpeded to do whatever the fuck they please, or...'. All of this is happening behind the clock, while on the 'global scene' things have been appearing to be 'freezing'.

<https://www.theguardian.com/world/2016/...ettlements>

What does that mean for Pissrael? Less war crimes, less 'reparations', less 'financial aid' like 50 billions for 'protection' of Israel, less organ harvesting from Arab children, less property, and finally less land for them. This will force the 'chosen' of the greys and shithead company to 'reduce' and shrink. Which is a major setback to their agenda. Of course the "Champion of Easily Convinced 'White People', the Savior, Oy Vey 6 trillion" Donald Trumpf is the first (And the only one) to stand up for the jews that have created him. After all he is a xian Goyim, and a racial jew to a percent anyway. So if momma bear Israel goes down, then where people like Trumpf are going to be?

The assassination attempt of the Turkish ambassador also has the reason so that "Russian" will join forces with "Turkey" to counter "Terrorism". All of us here know just who created ISIS, and that is the jews. And that the ultimate purpose of this terror organization is to be caused as proxy so that there is endless immigration, the ME is wiped out, and people leave their territories to only come to Europe.

So for the above, we are going to continue on the Media RTR, for these three days. This will hurt the enemy bad as the media depends on the xian jeboo on these days. So we will just foil all of their projections who are the main causes of jews gaining energy on that 'time'. All of the above is the result of bad negotiations and bad propaganda by the enemy, and it will get worse for them. This can be further exploited by destroying their communications further, now that Mercury is retrograde. Anything that can go wrong, **MUST** go wrong right now.

The Communications RTR we will be doing will further any problems the enemy is having on the communication scale. Added on this, we can do the reversing 'War' prophecies Ritual. As I have explained in my other post, the enemy wanted war between Russia and Turkey but without the Plan B Trump on it, they are going nowhere with this act just yet. They need him up first, to at least know how the terrain is going to be. Also, do not buy the fairytale that Trump wants peace. The jews only want peace as a sideway to gain more power and destroy their enemies. A different jew doesn't change the overall plan. If the jew is not powerful enough, they want 'friendship and peace'. If they are powerful enough, they want to rip the guts on every Gentile child in 'spirit cooking' rituals to Jehovah and the "God" of the Illuminati, "JESUS CHRIST". Which is what they did for centuries anyway.

Israel has experienced severe losses. For this reason I have also contacted Zeus and have asked for their guidance on the matter, and also upon conversating with the other HPS we have decided to prolong the schedules to way more than just 10 days or weeks. This will happen around the time of the new year. There will be updates. This does NOT mean there may not be the need of immediate RTR's that must be done in between, as this war is active, and nothing is set on stone. Our unpredictability is our strength. How are we destroying the enemy again? Because they are foolish enough to put their

"Torah Plan" in public sight.

However at this point its useful that we attack the enemy where they hurt the most. Now, many of you here may be suffering, after Father Zeus's amazing day, from the (((Jolly))) energies of xmas, thoughforms, ideas about the jewish zombie, and many other retarded and useless things that come by them. We can disband most of this and give the enemy a horrible "intake" of parasitized energies from their 'goyim'. We need to counteract the poison as the enemy is gaining power and energy from all of this. If we just let them hang, they are going to get even, and they will get more into our tail for the next year.

For the above, we will do the "72 names of 'God' reversal" RTR. Its by that name the Rabbis are trying to summon power to actually pull all the things they want to pool into reality.

Below are the Rituals for the three days above:
